Induction Process

Step 1 - Enquire

On enquiry about volunteering, you will be directed to our website.

<https://www.diamondcentre.org.uk/become-a-volunteer>

Our website has all our current vacancies with the time and day and short detail of the job specifications.

We will also send you a link to fill in an application form once you have decided what position you would like to apply for.

Step 2 - Observations:

We will invite you to come and observe the session you have applied to join.

The observation is an opportunity for you to ask questions and find out more about the role. You will be given time to sit and watch a session, whilst also reading our handout and helpful information.

Step 3 - References:

If you are still keen to volunteer, we will then reach out to your referees. This is a link sent via email or text and only takes a few minutes.

Step 4 - Induction:

Once both reference forms have been completed, we will invite you to an Induction.

These run once a month on a Saturday, from 9.45am to 11.45am.

The Induction is an opportunity for you to have a go at the tasks you have volunteered to do, whether that be helping in lessons or working on the yard. You will also find out about the Health and Safety policies and procedures.

At the end of the Induction, you will be asked to sign and complete the first page of a RDA Volunteer Basic Training Record, also known as a Green Card. The Green Card stays in the office and is our record of how you are progressing with your volunteering.

Once the DBS has been completed in the Office, you will be given a start date and your name will go in the register.

If in doubt at any time, don't be afraid to ask your buddy, coach or a member of staff for help - no question is too trivial!

Step 7 - How are you getting on:

Once you have been volunteering with us for 4 weeks, you will be sent a link to complete, asking how you are getting on in your volunteering role.

We look forward to seeing you soon!
